Welcome to Rotarian Joan Fraumann

Wonderful wife, devoted mother and grandmother, owner and operator of an exciting new beauty salon, our fellow-Rotarian Joan Fraumann is the epitome of the modern woman in today's society — and she's a blonde! We know this goes against the grain of all of you blonde joke enthusiasts but all we can say is, when you get to know Joan you'll dump those blonde jokes into your computer waste bin.

Joan was born in Detroit and lived in Roseville, Mich. until she was 19. She then married and moved to Anaheim, Calif. where she attended Santa Ana College, lived in the city of Orange 19 years where she had two daughters, Cheryl and Carol, and

worked at Villa Park High School. Joan became a widow, and then met and married Ken Fraumann, Attica High School teacher. They built a new home in Attica. Joan was the owner and operator many years of the Stylistics Salon. She recently opened the New Image Day Spa in Warren County with her daughter Carol, offering hair service, massage, facials and nail treatment, plus special hair products and a variety of gifts. Joan is also president of Tri Kappa and enjoys playing bridge.

Daughter and artist Cheryl married Steve Odore and specializes in interior design in Indy. Steve is Director of the Nobel Center. Cheryl and Steve have two children, Devin, 10, and Hallie, 6.

Both attend Trinity Lutheran School where they are busy with soccer, hockey and Scouts.

Joan's second daughter Carol married Rick Clark and they have two daughters, Jessica, 10 and Rachel, 6, plus their extended family of four dogs, three horses and a varying number of cats. Carol is Economic Developer for Warren County and Rick is Plant Manager of Tru-Flex in West Lebanon.

Now that you've vowed to dump your blonde jokes, you might open a new file for Joan under "Enthusiasm". And you might include her husband Ken in that file because his many activities include being president of the Attica Lions Club. So here's a toast to Joan and Ken!

JUDY AND DAVE HOLLANDER MOST RECENT PAUL HARRIS FELLOWS

Judy and Dave Hollander were recognized at our June 25

meeting as Paul Harris Fellows. The club now has sixty percent of our members who are Paul Harris Fellows. This recognition is awarded to members who have contributed \$1000 to the Annual Programs Fund of The Rotary Foundation.

Through the generous gift of Bob and Alice Todd, our members' gifts are matched with the earnings from the Todd bequest. Members may wish to become Sustaining Members

by giving \$100 annually to the Annual Programs Fund. The

Rotary Foundation supports projects identified, funded and implemented solely by Rotarians. These projects bring hope where there is devastation. Our hope is that the majority of our members will be sustaining members and build upon the excellent example of the Todd's. We are people who do care. Our gifts will continue to make a difference in the world and provide Service Above Self.

Special points of interest:

District Governor to visit the club July 30. All directors and committee chairs are to meet with the governor Tuesday, July 29, at the Apple Inn.

Rotary meets every Wednesday at 6:30 a.m. at Harrison Hills

Directors meet the first Wednesday at 6 a.m.

Paul P. Harris, founder of Rotary International, presented our club charter on January 19, 1937.
