## Change-Over Meeting June 27

Sunday, June 27, is our change-over meeting. It will be a very enjoyable time and one in which we celebrate the strong foundation of service we have laid for the Centennial Year of Rotary International. The theme of the new year is Celebrate Rotary. We will have some wonderful entertainment. We will be recognizing some who have increased their standing as a Paul Harris Fellow and recognizing some who are being honored with Paul Harris recognition. Our exchange student from Scotland will be joining us. We will be honoring Suzann Shackleton and Bob Shepherd for their service as treasurer and secretary. There will be some other special guests and some surprises. In summary, we will be Celebrating Rotary. Hopefully we will have nearly 100% attendance. The meeting will be at the Beef House at 1:00 p.m. Karin Milligan will be our new treasurer and will be collecting for the dinner. We are charging enough to pay for entertainers and some other guests. With tax, gratuity and assessment for guests the dinner will be \$20 per person. The planning committee is Judy Hollander, Karen Milligan, Bob Geyer, Mark Mason, and Judy Bush.

## Group Study Exchange from Australia

The Group Study Exchange for next year will be with District 9690 of Australia. Since Angela Rusk is being sponsored by us as a Todd Scholar to Australia, it may be interesting and fun to host the exchange team when they come here in October. We would need to develop a plan for their stay with us and present it to our district by September 3. Please be thinking about this possibility and ways to implement it. There are five members in a team.

## Programs — Past and Future

Dick Stringfellow presented the program June 2. He has a keen interest in history. One of the ways he learns more about history is to attend auctions which he has done since he was a youngster. Dick had slides of one of the auctions he had attended (the Hess family) and he pointed out unique characteristics to look for when attending an auction.

Continuing an emphasis on the historical, Angie Bowen will provide the program June 9. She is with the Tippecanoe Historical Society. They put on the Feast of the Hunters Moon in the fall.

June 16 Nancy Fisher will be our special guest presenter. She will be back from California and is looking forward to sharing with us.

Rev. David Adams who is pastor of the Wabash Valley Bible Baptist Church will share with us his and his wife's experience in climbing Mt. Kilimanjaro.

Since we have the Change-Over meeting on Sunday, June 27, and are going to Rotary One on Tuesday, June 29, there will not be a regular meeting on Wednesday, June 30.
