The number to contact the postal service is 1-800-ASK-USPS or the web site is [www.usps.com/](http://www.usps.com/).

Sandy provided information about keeping the mail safe and Homeland Security. Those information brochures are available at the library, I'm sure.

Thanks to Sandy for a very informative and helpful program.

## Sharing with Rotarians about Rotary, Great Fellowship

The session Sunday, September 7, at the Geyers was a great opportunity to learn more about Rotary. Sadly few non Rotarians were able to attend. Dr. and Mrs. Brenner were present. He had been a local Rotarian many years ago. But more than the information, it was a time of good fellowship with our Rotary friends. Thanks to Bob and Martha for hosting the event. The setting is beautiful and very relaxing.

We do have many individuals in our community who have an interest in serving their community and who would be excellent Rotarians. Continue to invite them to our club meetings or special events.
